8. Highways.

Several years ago, Long Road, Skeyton was called Devil's Hill. This road runs from the Church to Skeyton Goat. One of the Parishioners asked if the road could be re-named Devil's Hill. The question was put to Councillor S. Penfold who suggested perhaps a supplementary sign or Heritage Sign as changing the name of the road completely was very long winded.

9. Any other business

It was put to the Council that tractors, lorries and cars were speeding along Church Road. No speeding limit is along this road so they in fact could drive at 60mph. Walking along this

road was very dangerous as there is no footpath.
Councillor S. Penfold suggested that he would speak to Justin at Highways, asking him if he would do an annual visit to Skeyton to review this situation. It was also suggested that Land owners who used tractors and contractors could be spoken to also.

Report by District/County Councillor S. Penfold.

Norfolk County Council refused to give out vouchers for vulnerable families at Easter, this met with opposition from NNDC. At the moment there are 29,000 free school meals given out. Morrison's and Sainsbury's were very generous and donated groceries to families. A better provision for May and the Summer hopefully will be in place. Climate emergency canvassed people around Norfolk, Worstead and Aylsham declaring a climate emergency.

NNDC giving out £150 to each Band A – D household to help with the cost of living.

Trees, 70,000 trees have been planted in North Norfolk, 110,000 being the ambition.

The new swimming pool at Sheringham called "The Reef" is looking very smart and has attracted several to join the membership there.

Biggest Capital Project so far.

Natural England, temporary hold on rivers not been polluting such as the River Wensum and the Bure. Also looking into rock salt off roads going into water courses. This might lead to planning applications being delayed for at least eighteen months.

NNDC Council Tax might be doubled on holiday properties if they are not used regularly.

The meeting closed at 9.00.p.m.

The next meeting will be To be advised.
